Satnavs will take you to the wrong location so please use either What3Words or the location plan attached to these sales particulars. Do not use the postcodes quoted above.

Viewing

Prospective purchasers of the land may view on foot only at any reasonable daylight hour whilst in possession of a copy of these sales particulars.

Method of Sale

The property will be offered for sale by private treaty as a whole. Offers are to be made in writing to Ian Ritchie Land Agents Ltd.

The vendors reserve the right to sell the property without setting a closing date and therefore any potential purchasers are advised to register their interest with Ian Ritchie Land Agents Ltd. The vendors reserve the right to exclude any part of the property shown or generally amend the sales particulars.

General Description

The land is located in unspoilt open countryside and whilst currently being used for agricultural purposes it may also be suitable for re-wilding, equestrian use or for somebody wanting their own property just to get away from it all. Access to the field is taken direct from the public highway via its own access track. Located within the field is a steel framed general purpose agricultural building (9.15m x 9.15m) with two shipping containers located within it. The vendor has confirmed that the property has a borehole located adjacent to the building. To draw water from the borehole the vendor has used their own portable generator to power the pump. Purchasers will need to purchase their own generator if they wish to use the borehole water supply. Also included in the sale is a small caravan.

The land lies outside the Nitrate Vulnerable Zone (NVZ) and according to Ordnance Survey Maps is not affected by any footpath or bridleway.

The opportunity to purchase a property such as this is rare and therefore prospective purchasers are advised to contact the selling agents to register their interest as quickly as possible.
